## AMAT MxP® Metal Etch

Chamber Protection with Wall Liner

Applied Ceramics offers a cost reducing solution  
to save you money!

Your chamber wall is protected with the Wall Liner & Slit Valve Liner.

The chamber wall is no longer directly exposed to impurities.

- ✓ Soiled Liner will be replaced by a new one.
- ✓ Chamber is not damaged by the purification process.
- ✓ No new anodizing process.
- ✓ Down-time by cleaning is drastically reduced.
- ✓ In the chamber, no water is needed, so pumping time is reduced.
- ✓ In the production department, complicated cleaning procedures are omitted.

You profit from our experience and abilities.
